GRANGE MEETING

Mattapoisett Grange held its bi-monthly meeting last Thursday night in the Grange Hall. The worthy master, Susan Bence, presented the gavel to the worthy master of Sippican Pomona, Paul Ouellette, who, with his officers, conducted the meeting.

Home and Community chairman, Ruby Barber reported on the afternoon whist party and announced a turkey will be presented for Thanksgiving. Mrs. LeBaron reported on the Junior Grange meeting. The Junior master, Mark Harris, and lecturer, Joseph Alves, will attend Junior Grange Day Friday, October 28th. The regular Junior meeting for October 28th has been cancelled.

A fraternal welcome was given to Corinne Lawrence by members of the Grange. Corinne has been a member of the Junior Grange.

The lecturer's hour was in charge of the Pomona lecturer, Audrey Ouellette. A march was held with Gladys Sylvia of New Bedford winning the prize.

A contest was held by Lemuel LeBaron and Mrs. Edna Day of Acushnet Grange on making a jack-o-lantern from a pumpkin. Mrs. Day was the winner.

The lecturer then presented past state deputy Gilbert Collins who showed slides of the New Hampshire foliage and places of interest.

Mr. and Mrs. LeBaron served assorted donuts, cheese and coffee, assisted by the youth.

OLD ROCHESTER TIES BOURNE

The Old Rochester Bulldogs came from behind to tie Bourne High 14 to 14 in a Capeway Conference clash on Saturday at Bourne.

The Bulldogs scored first in the second period with Cliff Lopes' pass from Bourne's six-yard line to Mike Charbonneau in the end zone. Domingo Pina's kick for the extra point was blocked.

Bourne came right back and scored and made a two-point conversion for 8 points. On the kick-off Pina returned the ball to the OR 35 and then fumbled. Bourne recovered which set up their second touchdown. The 2-point conversion failed and the score at half-time was 14 - 6. The Bulldogs scored again in the final period with Cliff Lopes scampering into the end zone. The 2-point conversion was successful, tying the score. A field goal by Bourne in the final seconds of the game was wide of the mark.

This Saturday the Bulldogs travel to Falmouth to take on the Falmouth Clippers. Game time is 1:30 P.M.

EDITORIAL

IT SHOULD NOT BE NECESSARY FOR LBJ
TO RUN FOR PRESIDENT OF THE WORLD

The present world trip of the President spotlights some very alarming facets of the chief executive's personality. For example, Mr. Johnson seems to think it is required of his image that he wade among the teeming multitudes for the laying on of hands. He takes every opportunity to perform this ceremony. If, in this melee, some nut decides to take advantage of Mr. Johnson's vulnerability, we would be faced with a tragedy brought on by a foolhardy disregard for ordinary common sense. The President's first responsibility is not to his political image but to the people of the United States. He should take ordinary precautions to enable his term of office to be completed. In the second place, it is very bad manners to a host country to invite their demented citizens to swarm around the President and thus provide them with the maximum opportunity for mischief (to put it politely). The President is not running for office in Australia and he should have some regard for the people who have the responsibility of guarding him, his hosts and for the dignity of his office. The U. S. citizen doesn't give a hoot for his personal popularity in Southeast Asia but we would like to avoid another "Day of Drums".

A second lapse of common sense has brought about another serious cause for alarm. Speaking in Australia, Mr. Johnson declared that if the Viet Cong would stop shooting, the U. S. would inaugurate a "War on Poverty" in Asia which would include North VietNam. This is a very generous offer from the head of an administration which has failed to balance a single budget. The Johnson administration has multiplied the National Debt to record highs in a period of record governmental income. This proposal to start flowing the U. S. tax money into Asia is a shocking disregard for the facts. The huge U. S. surplus stockpile of food has been poured into India and has disappeared in

a few years without a ripple. We can no more feed India than we can finance the whole of Asia (plus the Viet Cong). This proposition is so foolish it would be funny if it were not made by the President of the U. S. in a speech broadcast to the world. As such, it is bound to be taken seriously and commit the U. S. to a ruinous course.

Republican State Committeeman and Field Representative, spoke to the members. In his talk Mr. Jones emphasized the need of support to elect Republican Constitutional officers to full four-year terms for the first time, restoring Republican majorities to the Massachusetts House and Senate, and preserving the two-party system in Massachusetts. He noted that the quota for Rochester this year is $400., part of which has been met through a Finance Drive in April. The continued operation of the State office depends upon the contributions from all the cities and towns.

Persons wishing to contribute to the Party finances may give donations to Mrs. Smith, treasurer, or send it directly to the Massachusetts Republican Finance Committee, 146 Bowdoin Street, Boston, Mass. 02108. An engraved citation will be presented to each Republican Town Committee reaching the quota.

direction of Mr. John R. Pandolfi, is a unique group. This band aims to bring to the public the very best music available in the symphonic band repertoire; stimulate interest and appreciation for this form of music; and set the highest possible standard of performance by local talent, both amateur and professional. The band is made up of individuals from the Southeastern Massachusetts area with many students gaining much valued experience through playing with this organization before enthusiastic audiences.

The symphonic band has an entity all its own. Unlike a symphony orchestra, it has only one stringed instrument, the double bass. The band plays the kind of music one would expect from a symphony orchestra - classical, semi-classical and popular. If one has never heard this band he has a memorable experience ahead of him.

Three concerts are planned for this season: November 20, 1966, January 29, 1967 and April 2, 1967. All concerts will be held at the Gilbert D. Bristol auditorium of the Old Rochester Regional High School at 3:00 P.M.

will be a program. If intending to come, notify Mrs. Adams, 2105; or Miss Walker, 2102. Club members are also asked to inform Mrs. Adams or Mrs. Reynard at the Mattapoisett Woman's Club meeting this week, if they play any instrument or sing, as amateur talent is sought, and music lovers, as such, are awaited. Activities include "good listening" as well as performing. Piano will be the instrument heard on the 15th. Those who have their "ear to the ground" for music news at the professional level are also "on the agenda". A late Spring meeting will combine art and music for the connoisseur, but at the moment "amateur" is the key word, and should scare no one away.

TEACHERS ELECT OFFICERS

The Board of Directors of the Old Rochester Teachers' Association met on Monday, October 17th, at the Old Hammondtown School and elected the following slate of officers for the school year 1966-67: Kenneth S. HOMEWORK PROCEDURE AT ORRHS

Principal Donald N. Gavin, of the Old Rochester Regional High School, makes the following announcement pertaining to homework procedure: After a student has been absent for 3 days, his parent should call the high school and make a formal request for the homework assignments. If unusual circumstances prevail, consideration will be given to obtain homework for students who are absent less than 3 days. If absent less than 3 days, students should be encouraged to obtain their homework assignments from their classmates. We request that parents call the high school no later than 8:30 A.M. to allow sufficient time for the assignments to be collected. It will be the parent's responsibility to pick up the assignments or make arrangements with the high school secretary for a particular student to take the assignments home.

EXHIBIT AT ART CENTER

Paintings by Peter Petronzio will be placed in the Cecil Clark Davis Gallery at the Marion Art Center for the month of November. A preview for members and guests of the center will be held on Sunday, October 30th. The artist is described as a primitive, which means essentially he is self-taught. He came to America in 1912 from San Giovanni, Italy and has worked on the land here ever since. He owns and manages a farm in Danvers. Mr. Petronzio did not begin to paint until 1961 when his son, Frank, an art teacher, encouraged him to try his hand. The father did, and the result is a delightfully fresh and naive approach to art as he reminisces about his homeland on canvas in sparkling color and interesting patterns

and shapes. There is evidence of an innate sense of design in his work. He is interested in surface textures which sometimes are built up into low relief. The Italian landscapes and genre emerge richly decorative yet sensitive and real.

Peter Petronzio's work was recently on display at the Concord Free Public Library where it was enthusiastically described as a "fresh, bright, happy show". His instinct for singing color, his seriousness and sincerity are refreshing in this time of "pop", "op", and other contrivances.

The show will run from November 1 thru 30th.

WHIST PARTY

The regular Monday night public whist party at the Mattapoisett Grange Hall will be held Monday, October 31st, at 8 P.M. Otto Kellish and Gladys Pearson will be in charge of the party.

SCOUTS HAVE CAMPING TRIP

Forty-three scouts of Troop 53, Mattapoisett enjoyed a weekend campout at Camp Cachalot, Myles Standish State Forest. Adult leaders were Jerry Stratton, scoutmaster; Gene Pursley and Phil Silveira.

Eight boys finished their qualifications for the canoeing merit badge under the supervision of Mr. Stratton. Twelve boys qualified for the "Tottin' Chip" needed by every Scout before he is allowed to "tote" an axe or knife. These boys were tested by Mr. Pursley.

Transportation was provided by parents of the scouts and this was greatly appreciated. The number of boys taking part in this campout, one of several planned for this year, pointed up the need for additional equipment for the troop. Fund raising efforts to this end are now underway.

SCOUTS TO CONDUCT CAMPAIGN

In order to buy much needed camping equipment, Boy Scout Troop 53 of Mattapoisett is planning a major fund-raising campaign for November. The drive will take two forms -- direct contributions from Mattapoisett businesses and organizations and a house-to-house candy sale to be conducted by the boys.

Further information on this campaign will be published in the near future. It is hoped that

COLLECTION SET FOR UNICEF

Mattapoisett Congregational Church Couples Club again this year is sponsoring "Trick or Treat for UNICEF" on Halloween Night, Monday, October 31st.

UNICEF is the United Nations Children's Fund, which is helping millions of sick and hungry children in the newly emerging nations throughout the world, through food distribution programs, health center and medical aid training. In 1965, UNICEF received the Nobel Peace Prize for its efforts.

Information and UNICEF collection boxes are being distributed through the Mattapoisett Church School to the children for trick or treating for UNICEF on Halloween. Any person, young or old, who has not been contacted but who is interested and wants to participate in the program, may call James E. Lamborghini for further information.

How to make sure you get every drop of heating oil you pay for

NOW SHELL Heating Oil is metered into your storage tank as electricity is metered into your home.

Our trucks are equipped with highly accurate meters that measure the exact amount of oil we deliver to your tank.

The meter prints the amount of oil delivered on a receipt. You get the printed receipt as a permanent record for your files.

Metered deliveries are one of the many advantages we offer our heating oil customers. For complete details, call us today.
